

## Fire Chiefs' Association of BC

### 2<sup>ND</sup> VICE PRESIDENT ANNUAL REPORT May 2019

In January 2019 following the retirement of 1<sup>st</sup> Vice President Fire Chief Don Jolley, President Phil Lemire appointed myself 2<sup>nd</sup> Vice President. Since that time, the executive has been working on a few key issues/projects.

BCEHS FCABC collaboration agreement working group for volunteer and composite first responder departments. There are five chief officers representing the association working with BCEHS staff to address the concerns of our members, we are focused on the development of a truly collaborative agreement.

As a member of the Road Rescue governance framework working group we are working on the development of a framework for the provision of road rescue (out of jurisdiction response) within the province and to further develop a proposed model for the FCABC to receive and prioritize funding requests for EMBC registered road rescue providers.

Additionally I attended the FCABC Board meeting and Government Relations day in Victoria April 4 & 5, 2019.

It is an honor to represent the association and be part of the executive team.

Respectfully submitted,

***Regional Fire Chief Dan Derby***

FCABC 2<sup>nd</sup> Vice President
