

Fire Chiefs' Association of BC

RETIRED CHIEF OFFICERS COMMITTEE ANNUAL REPORT May 2019

On behalf of the Retired Chief Officers Committee (RCOC) we wish to once again express our appreciation to you, the Board of Directors, and your membership for providing the RCOC members the opportunity to:

- view the BC Fire Expo on Monday afternoon,
- attend the Opening Ceremony Monday evening,
- provide us a meeting room to hold our annual meeting on Tuesday,
- attend your member's luncheon on Tuesday after our annual meeting,
- carryout scrutineer responsibilities for the general elections.

We also wish to thank you and the FCABC membership for providing us with complementary Registration for the Conference and no charge for annual Dues. It makes our past contributions to this great organization all worthwhile.

Our up-to-date RCOC membership list continues to be a great tool for contacting our members regarding, FCABC information, news releases, Conference and Fire Expo details and updates, passing of members as well as other matters and information as it arises.

With respect to activities within the RCOC Zones, we are making progress with the return of members as a result of the cancellation of our annual Dues and Conference Registration. We now have Zone representation in Zones 3, 4 and 5. Hopefully after the committee meeting at this year's conference in Penticton we will be able to fill the vacant Zone 1 and 2 positions.

During the RCOC annual meeting we encourage the Zones to try to get together once or twice per year in a convenient location for luncheons or equal social activities. An example is in Zone 3 they meet twice per year in Kelowna.

All retired FCABC Members are always welcome to attend our Luncheons.

Respectfully submitted,

Bob Hickey
FCABC RCOC Secretary
