

# Fire Chiefs' Association of BC

## ZONE 2 DIRECTOR ANNUAL REPORT

### Zone 2 Meetings

Zone 2 had no scheduled meetings as we are broken up into 3 sub-committees:

- The Greater Vancouver Fire Chiefs Association
- The Coast Corridor Fire Chiefs Association
- The Fraser Valley Fire Chiefs Association

Either Deputy Director Fire Chief Joe Robertson or I have attended all of the GVFCAs meetings ensuring that one of us is in attendance. The GVFCAs meetings have many zone 2 members in attendance. Unfortunately, neither Zone 2 Directors were able to attend a Fraser Valley Fire Chiefs meeting or a Coast Corridor Chiefs meeting due to our personal availability.

### FCABC Board Meetings

Zone 2 Deputy Director Joe Robertson and I participated in Executive meetings both by attendance and via WebEx and I attended the Government Relations day in Victoria. Further, we provided information to the FCABC board in support of the motions and resolutions from the 2018 AGM.

### Career Section meetings

We both participated in the two career section meetings this past year (Kamloops and Victoria). I also represented Zone 2 as a representative on the BC Fire Leadership Summit organizing committee.

### New Zone 2 members since last AGM are:

Deputy Chief Chris Bowcock – City of Burnaby  
Deputy Chief Darcy O’Riordan – City of Burnaby  
Deputy Chief Dave Samson – City of Burnaby  
Deputy Chief Al McGrath – City of Richmond  
Assistant Chief Jeremy Duncan – District of North Vancouver  
Fire Chief Kal Helyar – Egmont & District

Fire Chief Joe Robertson will be in attendance in Penticton this year, but will be stepping down as Zone 2 Deputy Director, so we will be looking to fill this position at the AGM.

Respectfully submitted,

***Deputy Chief Larry Thomas***
