### **ZONE 3 DIRECTOR ANNUAL REPORT May 2019**

Since conference, I attended fallen firefighters memorial service in Ottawa September 9<sup>th</sup> where Cache Creek Fire Chief Clayton Cassidy was honoured as well retired Victoria Chief and past FCABC board member Doug Angrove. During this time I attended a hospitality event and over the three days, was able to meet and greet the families.

Deputy Director Mike Adams and I attended the "Reset the Clock" workshop in Kamloops on October 18<sup>th</sup> and the IAFF contract meeting on October 19<sup>th</sup>. Both sessions were very informative.

Deputy Director Adams hosted a meeting with BCEHS and Zone 3 Chiefs on September 14<sup>th</sup> in Kamloops where discussions on BCEHS Action Plan were discussed. District Managers Lisa Dwyer & Brian Silvester and PTCC (Kamloops Dispatch) Manager were in attendance.

Deputy Director Adams also attended the GVFCA special meeting on BCEHS/CRM Sept. 25<sup>th</sup> at J.I.B.C. New Westminster and the IAFF/FCABC Leadership Summit in Victoria March 6<sup>th</sup> and 7<sup>th</sup>.

I attended the Board meeting and Government Relations day in Victoria April 4<sup>th</sup> and 5<sup>th</sup> where one of the guest speakers was CVSE representative Nam Nguyen who provided the Board with an update on overweight apparatus, which I continue to work with them on.

A Zone meeting on April 11<sup>th</sup> in Kamloops was held with 36 members in attendance. The day included providing an update on Association business from recent meetings attended, OFC Fire Service advisor Rick Owens provided update and presentations by Ian Lightbody on Public Broadband, Brad Litke, BC Wildfire and Blaine Wiggins, BCAS
